Este passeio é acessível a qualquer Land Rover (incluindo Freelanders), em qualquer estado de preparação, com um grau de dificuldade 1 numa escala de 5. Não danifica a viatura, e para o fazer basta saber que, para progredir em areia, é necessário baixar a pressão dos pneus para 20/25 psi e bloquear o diferencial central (se aplicável). Vamos denominar este passeio de "Fácil" . O tipo de terreno predominante é areia e pode ser feito por condutores inexperientes.  
Bom passeio!
